As many of you already know, our collection of New books and Stuffed animals is going well. We started about 10 years ago with collecting for All Children's Hospital and have now added Ronald McDonald House and Children's Moffit Center. Anyone wishing to donate can bring New books and new stuffed animals to the meetings or money donations to buy the items. If you cannot make it to our meetings and would like to donate, please send to our P.O. Box above with a note marked "Books & Animals".
